OVERVIEW

Privacy, on demand.

Sometimes staff need to take a private call or zero in on important work. The Single Pod gives them a quiet space away from distractions, while minimising disruption to the rest of the office.

FLEXIBILITY

Move it wherever, whenever.

Every pod sits on a rolling base, so it can move across the floor as your team's needs change. Adjustable locks level the pod on uneven floors and hold it securely in place.

When your lease ends, Silent Pod will relocate your pods to your new office.
